(in this story, each line of each chapter has to start with a letter of the alphabet. i.e. Ch1:a Ch2:b Ch3:c etc. for more fun, you should try to include your letter as many times as you can)

A long time ago, in a land far away lived an amazing armadillo named Annie. Annie was a young armadillo, only 2 years old. Annie loved playing around with her armadillo amigos. They loved to see how many different armadillos they could make roll up into a ball.

Chapter 2 by MonicaLynn

Before Annie was born, there was a boy named Bruce who blew bubbles all day long. But, every day before he could blow bubbles, his boisterous brother bothered the boy because he hadn't done his chores. Bruce became blue, for he just wanted to blow the bubbles by the bubblegum tree in his backyard. Just before Bruce's 8th birthday, a girl was born down the street and he couldn't wait until she could blow bubbles with him.
